502.348.3502

The sun shines bright on this charming meeting venue on the grounds of one of Kentucky's most revered historic sites. The visitor's center mirrors the stately elegance and gracious ambiance of the Federal Hill mansion a short walk away. An expansive lobby filled with natural light is the prelude to the Ballroom, the main meeting space for the visitor's center. This spacious room provides an airy, comfortable atmosphere. Outside the Ballroom is the veranda, enclosed in a white-pillared colonnade that radiates toward Federal Hill, and not far from the visitor's center is another elegant open-air pavilion known as the Rotunda. Our historic cabin makes a great venue for a smaller meeting or as a wedding suite.
