

KENTUCKY STATE PARKS

“the nation’s finest”

Perryville Battlefield State Historic Site is currently replacing nine interpretive signs and looking for businesses, organizations, or families to sponsor the interpretive signs.

At the bottom of each sign, your name will appear.

Thousands of people visit the battlefield each year and they will see your information at the bottom of the sign, plus you will be helping to support Kentucky’s largest battle in the Civil War.

Contact Bryan Bush, park manager, at 859-332-8631 or Bryan.Bush@ky.gov
